YEARLY SERVICE
 MASTER LIST ONLY

So far, the following collectables have been established on our COLLECTABLES DATA BASE:

 HOW OUR SERVICE TO YOU WORKS

Your collection, whatever it may consist of, is an art form, a "Labor of Love", and a very important part of your life. We know, because we're collectors too and have experienced the excitement of finding the "Missing Link" that fills a void in our collection at a flea market, garage sale, or collectors show.

Collectables can be both a pride and a frustration. The pride is in watching our collection grow. The frustration is encountered when we don't know what to look for, or when we add more items than we can remember. The Collectables Data Base removes the frustration by providing a MASTER LIST of all known collectables in your specialty, and a COLLECTION LIST showing all items actually in your collection. The list can be carried with you when you travel, and new acquisitions added in their proper place without re-writing or re-typing.

The TRADE/SELL/WANT LIST provided to you quarterly as part of our service, will enable you to match those collectors in your specialty who HAVE surplus items with those who NEED the item for their collections. This list saves you untold hours of hunting and corresponding with other collectors to move unwanted items or to find new additions to your personal collection.

 Antique Soda Collectibles • Cans • Bottles • Signs • Etc.

If your specialty is shown above, the amount to the far right is the cost to you for a whole year of our unique service which is described in detail below.

If what you collect is not listed, this is your lucky day! For your help in being first to establish a new category, a listing of your collection is FREE! Your collection will create a master list for you specialty to which others may add. All it takes to get us started is a current list of your collection, plus a phone number in case we have any questions about how to structure the list.

WHAT THE YEARLY SERVICE OFFERS YOU:

For the serious collector, a subscription to our YEARLY COLLECTOR SERVICE offers the ultimate in your ability to collect, control, and most important, enjoy your collection. The MASTER LIST will keep you alert as to what is available, the COLLECTION LIST will remember when you forget whether an item is in your collection, and the TRADE/SELL/WANT LIST will free you from the drudgery of endless correspondence. You will receive FOUR list mailings during the year.

- First Quarter- MASTER + COLLECTION + TRADE/SELL/WANT LIST
- Second Quarter- TRADE/SELL/WANT LIST
- Third Quarter- MASTER + COLLECTION + TRADE/SELL/WANT LIST
- Fourth Quarter- TRADE/SELL/WANT LIST

This spread of times should allow you ample opportunity to use the lists to work with your collection.

Any changes to your collection, your trading stock, or to your want list can and should be submitted any time the changes occur as the TRADE/SELL/WANT LIST goes to many collectors all over the country. Don't overlook the power of the TRADE/SELL/WANT LIST not only to add to your collection, but also to sell over-stocked or un-wanted items. It should be remembered that the lists we furnish are just as up-to-date, as complete, and as accurate as you the collector help make them. If you find an error, or know of additions, please let us know so that we may better serve you.

HOW TO GET STARTED

The first step is to fill out the Order Form below, mark your collection specialty, and attach a check or money order. Upon receipt of your order, we will forward you a master listing of your collectable. After you match the items in your collection against the MASTER LIST, add any not on the list, mark the items you have for trade or sale or want, and send the list back. We will enter your information and send you a MASTER + COLLECTION + TRADE/SELL/WANT LIST. Sounds simple... it is so let's get started with an exciting new concept in collecting together!
