THE NATIONAL POP CAN COLLECTORS MONTHLY NEWSLETTER

PTL

" BLESSED IS THE MAN WITH A HOBBY, FOR HE LIVES IN TWO WORLDS "

This issue includes the first PCCAL (Pop Can Collectors Against Lists) list. A great amount of time, energy and expense has gone into the preparation of this great addition. I wish to thank Paul Bates especially for all of the sweat he has put into this listing. We hope you can get some use out of it. Please let us hear any of your comments, good or otherwise. We would like to know if it's worth it !

Because of the size of the listing we can not put many of the regulars in this issue, but they will be back next month. We have some great stories, several clippings, and many pictures of new issues.

HOPE TO SEE YOU AT THE CHICAGO CAN SHOW

THE PCCAL (POP CAN COLLECTORS AGAINST LISTS) LIST

Well folks, the PCCAL List is enclosed with this issue of NPCC, and as you can see, a lot of collectors have put a lot of work in making cans available to us all as well as letting us know what they need for their collections.

The use you as members of NPCC make of the PCCAL List will determine its fate as an on-going project, or just another good idea that "bites the dust". I will be sending the complete list to all persons ordering supplies or books through Soda Mart, so all that participated in the project will hopefully receive correspondence from collectors not reached directly through NPCC.

Fred and I both have gone to some extra trouble and expense to provide all members with the PCCAL. Now it's your turn to let us know whether it's worthwhile. Loosen up the old writing hand and let us know what you think, good or bad. If we are to keep the list, how often should it be printed? Can the format of the lists be improved? Is there any desire by any of the members to have their personal can list kept updated on the computer.

Just remember, a "no-comment" will be interpreted as being against the continuance of the PCCAL List. Please send comments to Fred for publication in the next issue of NPCC.

THE "OFFER EXPLOSION"

Our part of the country finally did it!... or I should say over-did it! Offer cans are popping out so fast I can't hardly keep up with them. First Coke came out with three "Every Can's a Winner" cans. Now the word is that probably four more products by the same canner will also have the three offers. Just over the state line in Kentucky, RC has put out their brands in a distinctive offer label. As soon as I sort out the grand happenings, I'll put the cans in circulation amongst the group.

Also got word of two new Coke cans out of the Big Apple (thats New York City for you country people). Just out is the "Bronx Zoo" and the "Great Adventure- Radio City" commorative cans. You Yankee's get with it and circulate some of those cans.

SEE "YOU ALL" AT THE CHICAGO CAN SHOW IN JULY!!!!

THE SODA MART POP CAN WANT LIST

PAULI BATES, THE SODA MART, RIDGECREST DR, GOODLETTSVILLE, TN 37072
PHONE 615-859-5236

The cans listed below are on my "MOST WANTED" list. In addition to the ones listed, I am always interested in cone tops of any brand and local currents that are not in my collection. I will consider any grade of can if I need it for collection.

I like to trade for or buy cans that I need. My collection has over 14,000 different cans, but there are many that I need. I also have a duplicate stock for trade or sale of about 15,000 cans including many obsolete set and commorative cans.

In addition to cans, I also collect soda bottles, both painted and embossed labels, miniature soda bottle, soda related glasses, soda match covers, soda playing cards, and soda related signs, especially lighted signs.

If you have any cans from the list below, please contact me with a price, or tell me what you need as a trade.

THANKS
PAUL
