NPCC Has Been Sold

We regret to announce that NPCC has been sold. However due to health reasons it was a necessity.

We really want to thank you for letting us serve you.

The new owner is Fred Bogdan of Joliet, Illinois.

Fred is highly thought of by Betty Toepfer who is one of the leading soda can collectors in the world.

The next newsletter will be done by Fred and I am sure he will have his own personal things to say.

TELL YOUR FRIENDS ABOUT NPCC

There are thousands of pop can collectors in the U.S.A. who have no idea that there is a club for collectors. So tell your friends and anybody you know about NPCC because the more eyes we get looking for pop cans, the more rare and valuable cans will turn up.

We will send everyone some extra applications but if you need more, let us know!

For those of you who set up at flea markets and shows and think you could use quite a few flyers, let us know and get in on another "special".
