A HAPPY NEW YEAR. WE HOPE THAT YOUR HOLIDAYS ARE FILLED WITH JOY
AND HAPPINESS.

RC COLA FOOTBALL CANS

From what we can now find out about them, there are supposed to be 280 different cans. The break down is 28 teams with ten players from each team. If this is true it will be quite an accomplishment to get the whole set.

NEWSLETTER ARRIVAL TIME

A few of the members have written us wanting to know why they don't get their particular months newsletter the same month as the month written on the top of the front page of the newsletter.

To give you an easy explanation, lets use the month of March.

To get your ad in March issue it must arrive at NPCC no later than March 11. That is the ad cut off time for it to get in the March issue. Then these are put together for the March Newsletter.

However your March newsletter is for the month of March. If anything comes up anytime during March it goes in the March issue. So consequently we don't completely close the books for March until the last of March. The reason for the 11th cut off date on the ads is because by the eleventh of the month some part of the newsletter must have a form and so we can give you an ad guarantee date.

However, if you send us some new releases or other information later in the month it most probably will get in that months issue.

THIS BRINGS US TO ANOTHER POINT. ONLY A FEW MEMBERS HAVE SENT US ANY INFORMATION ON NEW RELEASES OR OTHER NEWS. FOR THE BENEFIT OF THE WHOLE CLUB PLEASE SEND ANY INFORMATION UOU CAN. WE ARE SURE YOU AS A INDIVIDUAL WOULD LIKE TO KNOW ALL YOU CAN ON SODA CANS AND THIS CAN BE DONE VERY EASILY IF YOU SHARE YOUR LOCAL INFORMATION WITH ALL CLUB MEMBERS.

Finally on the last of March the complete books for March are closed and arranged, On the first of April they are sent to the printers and it is a week or two weeks before they come back from the printers and they are addressed and sent to you.

We hope this helps the few members who didn't quite understand the procedure to better understand and also to send any information possible to us.

TELL YOUR FRIENDS ABOUT NPCC.....

There are thousands of pop can collectors in the U.S.A. who have no idea that there is a club. So tell your friends and anybody you know about NPCC because the more eyes we get looking for pop cans, the more rare and valuable cans will turn up.

We will send everyone some extra applications but if you need more let us know.

For those of you who set up at flea markets and shows and think you could use quite a few flyers, let us know and get in on another "special".
