

# NATIONAL POP CAN COLLECTORS

OCTOBER 1976

A sincere welcome to all the new members. We are sure you will enjoy this great hobby.

We sincerely hope all the older members have increased their collection immensely.

~~USE YOUR FREE A.X.~~ The only way other members; will know what cans you are looking for, and, what cans you have to trade or sell is by placing ads. So to encourage this we have given the members free ad certificates. So by all means use the certificates. They are each good for a 50 word free add. (Don't forget to enclose a certificate with your ad.) If your ad runs over 50 words, simply ad 10 cents for each word over 50.

~~KEEP US POSTED.~~ Let us know of any new releases or any important information so we can pass it on to everyone.

P.S. Don't forget about the POP can show on Nov. 7 at the YMCA in Racine Wisconsin. We hope to see a lot of you there. More information on page 6 of the newsletter.

TELL YOUR FRIENDS ABOUT **HC**.....

There are thousands of pop can collectors in the U.S.A. Who have no idea that there is a club. So tell your friends and anybody you know about NPCC because the more eyes we get locking for pop cans, the more rare and valuable cans will turn up.

We will send everyone some extra applications but if you need more let us know.

For those of you who set up at flea markets and shows and think you could use quite a few flyers, let us know and get in on another "special".
